Seed	100
To End Alls	102
Aristocratic Implementation (AI)	103
Silence The Noise	108
The Knock	118

The Unnatural 130

Softly Haiku

They don't just kill us
Softly, they murder our souls
But Gods never die...

God's Prototype Haiku

Another black life
But who's counting anyway
We will never die...

(Why? Reference the title)

Power Haiku

No tears, no fears, –No!
Why give them the power, when
You wield God's Power?
