Loose Ends

I wonder if loose ends really ever do get tied
Or just add to the madness that eats you up inside?

Skin and Bone

Who I thought I was
I'm not her anymore
Who I want to be
I'm not sure anymore
It's so loud in my head sometimes
It's so full of useless rhymes
The ghosts from my past
Want me afraid
They remind me of the mistakes that I've made
I didn't choose my path
My path chose me
Unsettled with uncertainty
My eyes are playing tricks on me
I'm unraveling knots
And ties that bind
From a world full of people who all seem unkind
I'm lost at sea
Looking for me
I'm sinking to the bottom
Though I'm trying hard to swim
I miss my outlook on the world before it got so grim
Every time I try
I fall so hard it hurts for years
Every time I cry
