# The Sad and The Sorrow Collection

For Jesse who told me in a dream to never stop making  
footprints and to Dakota for asking me to promise him  
to never stop sharing my art. I love you both from the  
bottom of my heart. Love, Mom

## **What Never Really Was**

Memories sometimes show us what we wanted to  
believe about someone.

They romanticize the pain and cover up the loneliness.  
Don't let them fool you.

It hurt like hell what they did to you,  
What they said to you,

What they meant to you

And how little you meant to them.

Remember that...when you begin to look fondly back  
on

What

Never

Really

Was...
